Volunteering

Saint Joe's Luminary Walk

Manny MRunners came out to volunteer at St. Joe's hospital on a Friday. The team split up to serve food, direct people in the parking lot, guide walkers on the night's luminary trail, and help people decorate luminaries to send into the sky. This event helped the hospital cover some of the costs of its farm, which is used to grow vegetables and other foods that are used in their patients' rehabilitation programs. Besides helping a great cause, everyone who came out had a fun and enjoyable experience!

January's Social Event

MRun social chairs brought the team together on a Sunday to enjoy a Michigan women's basketball game. Although the game resulted in a loss to Nebraska, the runners had a great time - their dance moves even earned themselves a spot on the jumbo screen.

SVSU Track Meet

For the first meet of the season, Mrun took on Division 2 competition at Saginaw Valley State University. With events ranging from high jump, Distance Medley Relays, the 5K, to the final 4x4 race, Michigan displayed amazing performances. Our 4x4 team comprised of Brad Spilka, Tyler Kristoff, Chase Austin, and Roman Lee broke the team's previous indoor record with a time of 3:34.7. Lindsey Hendrickson's performance in the long jump also earned her an MRun record by jumping 5.04 meters. Congratulations to all of our amazing athletes!

Athletes of the meet:

Lindsay Hendrickson: 5.04 meters in the long jump

Roman Lee: 53.25 in the 400, 3:34.7 4x400

Shannon Petersen: 5:36 in the mile

Riley Horn: 4:42 in the mile, 9:29 in the 3K
